Just minutes from an abundance of shopping, restaurants, and recreational areas, this contemporary ranch offers quiet living in the lovely Hannum Crossing development in Streetsboro. The home is located on a spacious lot near the development's very own nature preserve, pond, and walking trails. This home has all the modern accommodations and features a homeowner could desire. The central living space features an open floor plan that flows into a spacious great room with large windows flanking the gas fireplace. The space then opens up to the kitchen and dinette that feature a large patio door off the back, perfect for outdoor entertaining. In addition, the left wing of the home features a private master suite with a tiled, luxury bath and separate shower. The right wing has 2 additional bedrooms, each with their own spacious closet. Please call or email to make it yours today!
